Why Choose ?

The university provides world-class education with state-of-the-art infrastructure, a cadre of professionals who are skilled enough to pave their own way through this competitive world. The university helps students to develop leadership skills and establish enterprises by playing the role of both incubator and accelerator at training and mentoring young entrepreneurs to fuel their inner drive to innovate. At AIC RNTU, we take charge of providing essential services such as mentorship, management, co-working space, and state-of-the-art technical assistance to budding business units.

AIC-RNTU Incubation Centre

In Glitter Incubation Centre supported by National Innovation Mission, NITI Aayog, and Govt. of India, Objective of AIC RNTU to create a startup ecosystem and familiarize the visionary brains with the business aspects of an idea and provide them a platform with necessary resources to make their ideas become a commercial product. The university with its best-in-class infrastructure including a modern gym, a full-fledged library, a canteen, separate hostel accommodation for both girls and boys with all the basic facilities and a pick and drop service makes the living of students top-class and helps them to excel in their education.

About RNTU

Rabindra Nagri Technical University established in 2010 in Raisen district in Bhopal is India’s first Skill University (RNTU) and the second highest ranked university in the education sector - AICTE - Group of Universities. 

After the foundation of Rabindra Nagri Technical University, this university believes in providing all-around cognitive development to its students by focusing equally on soft skills, building personalities, entrepreneurship, and innovation. Liberal is performing arts in sports and cultural activities.

The Group’s basic foundation across all its higher education projects is to prepare its students into becoming responsible, skillful and fair professionals. AICTE has more than 35 skill-based universities and over 350 skill academies across the country helping millions of students in pursuing entrepreneurship.

Amandeep Singh, Founder & Group Chairman of AICTE Group of Universities.

Centre for Excellence

Ph.D. & M.Phil. in selected subjects through separate entrance tests.

RNTU offers B.E., B.Tech, M.Tech, MCA, MBA, B.A. degree programmes. A Centre for Incubation & Entrepreneurship is set up at RNTU to provide mentorship and incubation facilities for budding entrepreneurs. The Centre provides support and guidance to the entrepreneurs to make their ideas and concepts into a successful business venture.

The university incorporates cultural and co-curricular activities such as music, dance events, theatre, festivals, debates, free hand, sketching, seminars and group discussions which encourage students to balance their studies with other activities and perform better.

Centre for Agriculture

The Centre for Agriculture was established in 2012, at RNTU, in collaboration with Directorate of Education, Bhopal. The Centre offers a B.A. (Hons.) in Agriculture.

The university has its own in-class infrastructure including a modern gym, a canteen, separate hostel accommodation for both girls and boys with all the basic facilities, and a pick and drop service makes the living of students top class and helps them to excel in their education.
