## About

The Rabindranath Tagore University (RNTU), Bhopal formerly known as AISECT University, Bhopal was established in 2010 as India's first Skills University. This was the second higher education venture of the AISECT Group of Universities which, over the years has emerged as India's leading higher education group.

In a short span of time, RNTU has established itself as the leading educational and research hub of Central India. Named after Nobel laureate Shri Rabindranath Tagore, the university seeks to provide overall cognitive development to its students by laying an equal focus on Skills, Personality Development, Entrepreneurship Incubation, Liberal & Performing Arts.

Through its 9 Faculties, the university offers a range of Ph.D., Postgraduate and Undergraduate programs along with 35 Courses in Skill Development. Arts, as well as Sports and Cultural Activities.

AIC-RNTU (Atal Incubation Center at Rabindranath Tagore University supported by NITI Aayog) commenced in 2019, aims to encourage and promote the culture of entrepreneurship in India.

Over the years, RNTU's progressive approach has earned immense popularity and accolades at national as well as international platforms including the Most Promising University of Central India 2022. It has Ranked among the top 200 Universities of India by NIRF for the Fifth consecutive year and also achieved a Rank Band of 151-200 in the University Category in NIRF 2023.
