## ABOUT RNTU

Rabindranath Tagore University established in 2010 in Bhopal is India's first Skill University and is the second highest education venture of India's leading higher education group – AISECT Group of Universities. Named after Nobel laureate Sh. Rabindranath Tagore, The University believes in providing all round cognitive development to its students by focusing equally on soft skills, building personalities, entrepreneurship incubation, liberal and performing arts as well as sports and cultural activities. The groups basic foundation across all its higher education projects is to prepare its students into becoming responsible, skillful and faire professionals.
