# FOREWORD

**“ I am happy to know that AISECT is launching a University in Bhopal. I am sure the university will endeavour to reach the unreached members of the nation. My greetings and best wishes to all the members of AISECT Group of Universities on this occasion. ”**

**Dr. A.P.J. Abdul Kalam**  
Former President of India

**“ The Rabindranath Tagore University is India's first skill university that aims to create a cadre of professionals who are skilled enough to pave their own way through this competitive world. The university provides world-class education with state-of-the-art facilities and infrastructure. Our faculties indulge in providing a diverse curriculum of education to create the future leaders of our region. ”**

**Mr. Santosh K. Choubey**

**Chancellor, Rabindranath Tagore University**

***At Rabindranath Tagore University, we believe that education transcends mere knowledge acquisition; it is the fundamental crucible for forging character, igniting innovation, and catalyzing profound societal change. As pioneers of India's first skills-integrated university, RNTU has consistently championed a future where academic learning is seamlessly interwoven with practical, real-world competencies.***

***Our enduring vision has been significantly bolstered by embracing the transformative pillars of the National Education Policy 2020: flexibility, multidisciplinary exploration, and deep skill integration. Our meticulously designed programs are crafted not just to impart knowledge, but to empower our learners, transforming them into visionary leaders, dynamic entrepreneurs, and impactful agents of change.***

***From our sprawling, verdant campus in Bhopal, we relentlessly pursue academic excellence, fuelled by cutting-edge research, state-of-the-art innovation labs, and dynamic centers dedicated to fostering entrepreneurship. Through our Atal Incubation Centre, proudly supported by NITI Aayog, we are honoured to mentor and nurture startups that are actively addressing India's most critical challenges, ranging from pioneering agri-tech solutions to driving sustainable development.***

***Inclusive growth stands as the cornerstone of RNTU's mission. We are committed to extending access to higher education, building vital bridges to communities often under represented. This commitment manifests through comprehensive scholarships, robust outreach programs, and targeted initiatives empowering women, rural youth, and marginalized groups.***

***As Pro Chancellor, I am ceaselessly inspired by the fervent passion of our dedicated faculty, the unwavering drive of our brilliant students, and the steadfast commitment of our partners across the entire AISECT ecosystem. Together, we transcend the traditional definition of an educational institution; we are a dynamic, living movement dedicated to profound social transformation.***

***To our cherished students, accomplished alumni, devoted educators, and invaluable partners, we extend our deepest gratitude for embarking on this transformative journey with us. Let us collectively continue to redefine education as an unparalleled force for equity, excellence, and enduring empowerment.***

**Dr. Aditi Chaturvedi**

Pro Chancellor,  
Rabindranath Tagore University (RNTU)

The admission brochure has been designed to guide you and provide detailed information about the university's profile, its commitment to quality education, the extensive range of programs it offers, and the vibrant campus life that awaits you.*

*Join us at RNTU, where we nurture your academic aspirations and guide you towards realizing your full potential. Besides having an exposition of academic and career-building skills, you will forge camaraderie and everlasting bonds, and acquire life skills that will serve you well throughout your journey. My team of faculty and staff and I look forward to welcoming you to our dynamic and inclusive community.*

**Prof. (Dr.) R.P. Dubey**

Vice Chancellor,  
Rabindranath Tagore University

***/// Rabindranath Tagore University, Bhopal is the leading private university in the country. As an institute of excellence, we aim to provide high-quality professional education in the area of Engineering, Management, Arts, Agriculture, Commerce, Paramedical, Mass Communication, Law, Education etc.***

***Our vision is to create future leaders who will manage and create powerful organizations in the emerging corporate landscape. The curricula of all our programmes are industry-oriented based on best global practices. Academic rigor is reflected in the course design and delivery of these programmes. Various pedagogic tools help our students develop not only a holistic business perspective but an ability to seize opportunities in a competitive business environment. At the same time, they remain committed towards the betterment of the society. We have highly acclaimed faculty members who bring forth the right mix of industry-academic experience. They are actively involved in their pursuit of creating and disseminating knowledge through teaching, research and training. Our students will be the torchbearers of your organization and of society, and I recommend them enthusiastically for your consideration.*** ***///***

# Centres of Excellence

Knowledge Centres at  
Rabindranath Tagore University

## Center for Renewable Energy

Dedicated to research and training in solar, wind, and bioenergy systems, this centre supports green innovation. It runs live demonstration projects and model installations to teach sustainable energy practices. Hands-on workshops prepare students for careers in the renewable energy sector. The centre collaborates on government and industry initiatives focused on clean technology. Through research and fieldwork, it contributes to national renewable energy goals.

## Agriculture Research Center (ARC)

Focusing on sustainable agriculture, this centre integrates research, technology, and entrepreneurship in farming. Its research farm features greenhouse and polyhouse facilities for crop trials and innovation. Students gain practical exposure in organic farming, crop improvement, and agri-business. The centre promotes smart farming through field-based R&D and hands-on training. ARC supports rural farming communities with technology transfer and outreach programs.

## Advanced Materials Research Lab

Pioneering research in nanomaterials, polymers, and smart materials, this lab drives innovation for energy, electronics, and healthcare. Equipped with advanced synthesis and characterization tools, it provides hands-on training to students. Interdisciplinary projects foster collaboration between academia and industry. The lab publishes research findings in peer-reviewed journals and conferences. It advances affordable and sustainable materials solutions through student-led research.

## Center for IoT & Advanced Computing

This centre advances practical learning in IoT, embedded systems, AI, and sensor networks. Students work on real-world projects such as smart agriculture, home automation, and industrial IoT. It hosts workshops and certification programs in collaboration with tech industry partners. Research initiatives focus on developing low-cost, scalable solutions for local challenges. The centre cultivates tech-ready graduates through innovation-driven education.

## Center for Advanced Water & Environmental Research

The centre addresses critical environmental issues via research in water quality and sustainability. It conducts field campaigns, lab testing, and environmental impact assessments. Student-led projects focus on pollution control, water treatment, and climate resilience. It engages communities through awareness initiatives and policy guidance. The centre drives eco-friendly innovations and contributes to environmental conservation.

## Dr. C.V. Raman Center for Science Communication

Bridging science and society, this centre trains students in science journalism, writing, and digital content creation. It publishes accessible science articles, produces multimedia content, and organizes public exhibitions. The team includes media professionals, enhancing student exposure to editorial work flows. It hosts guest lectures and workshops to promote scientific temper among youth. The centre elevates awareness about science through effective communication channels.

## Center for Skill Development (PMKK)

As a Pradhan Mantri Kaushal Kendra, this centre offers NSDC-certified vocational training aligned with national skill standards. It provides hands-on skill programs across construction, IT, healthcare, and retail sectors. The centre enhances employability and promotes entrepreneurship through practical course work. It supports national initiatives including Skill India and Digital India through placement assistance. Industry collaborations ensure students receive up-to-date knowledge and job readiness.

## Center for Women Entrepreneurship

This centre empowers women through enterprise incubation, skill development, and financial literacy programs. It supports aspiring entrepreneurs with mentorship, market exposure, and business planning support. With regular start-up boot camps and workshops, it builds a gender-inclusive entrepreneurial ecosystem. Focus is given to rural and first-generation women entrepreneurs through dedicated outreach. The centre strengthens regional economic development by enabling sustainable livelihoods.

## Livelihood Resource Center

This centre promotes sustainable livelihoods by providing training in digital skills, handicrafts, and agri-allied trades. It works with rural communities, women, and disadvantaged youth to foster micro-entrepreneurship. Programs include market linkage support and microfinance facilitation. It empowers self-reliance through skill development and social enterprise. By integrating education with livelihood strategies, the centre drives community transformation.

## Atal Incubation Center (AIC-RNTU)

RNTU's AIC is the state's first university-based incubator, equipped with 100+ seat co-working space. 139 startups have been incubated under hybrid 13-week to 12-month programs across Ideate–Discover–Growth stages. It engages 85 mentors, has hosted 338 events, and supported 500+ startups in securing funding. Structured mentorship, prototyping labs, and investor connections help startups scale. Backed by AIM-NITI Aayog, AIC-RNTU strengthens Central India's entrepreneurial ecosystem.

## Pravashi Bhartiya Sahitya Evam Sanskriti Shodh Kendra

The Centre for Non-Resident Indian Literature and Culture Research, led by Shrimati Kanta Roy, is dedicated to promoting Hindi language and literature globally. It connects NRI literary figures, compiles and publishes their works, and fosters critical evaluation through a global network of scholars. The Centre archives literary materials, supports PhD research, and hosts seminars, workshops, and online platforms to unite and empower storytellers within the NRI community.

## Tagore Lok Kala Evam Sanskriti Kendra

The Tagore World Art and Culture Centre, guided by Shri Vinay Upadhyay, is committed to nurturing creativity and cultural awareness among youth through art, literature, and education. Engaged in advanced research, exhibitions, and the preservation of Tagore's cultural legacy, the Centre promotes tribal and folk arts through workshops and documentation. It also publishes the cultural magazine Patrika Ek Samvad and organizes national and international cultural festivals, contributing richly to the literary and artistic landscape.

## Tagore Kala Kendra

The Tagore Kala Kendra, led by Dr. Arjun Kumar Singh, is dedicated to nurturing artistic creativity and skill development among students and professionals. By blending traditional and modern art forms, it promotes cultural exchange and deepens the understanding of art in society. Through exhibitions, fairs, and initiatives like the Tagore Bal Kala Karyashala and National Painting Exhibition, the Centre fosters a vibrant and inclusive artistic ecosystem.

## Sanskrit, Prachya Bhasha Evam Bhartiya Gyan Parampara Kendra

The Centre for Sanskrit, Oriental Languages and Indian Knowledge Tradition, jointly coordinated by Dr. Sanjay Kumar Dubey and Dr. Savitri Singh Parihar, is committed to preserving and revitalizing India's classical languages and wisdom traditions. It promotes research, manuscript conservation, curriculum development, and the integration of modern technology in classical studies. Through workshops, seminars, and theatrical productions, the Centre brings ancient knowledge systems and Sanskrit performing arts into contemporary relevance.

## Bhasha Shikshan Kendra

The Bhasha Shikshan Kendra at Rabindranath Tagore University is dedicated to preserving Indian languages and promoting global language education through technology. It offers certificate courses in languages like French, German, Japanese, Spanish, Kannada, and Italian. The Centre aims to expand online language training and establish a language lab, while fostering linguistic collaboration with national and international institutes.

## Bahubhasha Anuvad Kendra

The Bahubhasha Anuvad Kendra at Rabindranath Tagore University promotes linguistic diversity and cultural exchange by translating literary and academic works from various Indian languages into Hindi. It conducts workshops, translation training, and multilingual literary events, aligning with the vision of the National Education Policy 2020. The Centre plays a vital role in advancing multilingual education and preserving India's rich linguistic heritage.

## Santosh Choubey Centre for Social Entrepreneurship

The Santosh Choubey Centre for Social Entrepreneurship, led by Dr. Rachna Chaturvedi, fosters social innovation through mentorship, research, and collaboration. It supports initiatives in education, health, employment, and the environment, while promoting academic and practical work in social entrepreneurship. With key projects on digital skilling and education policy, and partnerships with institutions like Jamia Millia Islamia and NRDC, the Centre drives sustainable development and community engagement.

## Tagore Antarrashtriya Hindi Kendra

To strengthen the global status of the Hindi language, the Tagore International Hindi Centre has been established under the Vishwarang Foundation at the campus of Rabindranath Tagore University, Bhopal. This centre was inaugurated with great celebration during the Vishwarang Festival 2023 by the Hon'ble Shri Ramesh Pokhriyal 'Nishank', former Education Minister of the Government of India. Now, under this International Hindi Centre, many institutions and universities from more than 30 countries around the world have obtained affiliation for the promotion, propagation, and formal teaching of Hindi. Under this, the Hindi teaching curriculum has been created with utmost seriousness, focusing on creativity and readability for teaching Hindi at the global level. A systematic examination and standardized certification process has also been established. Through this Hindi teaching curriculum, learners will be able to study Hindi with great interest through both online and offline modes.

## Excellence in Research

Research at Rabindranath Tagore University has a distinctive approach and is looked after by an independent group of learned professors. We encourage meaningful research by our scholars which should solve the problems of the society. We motivate them for inclusive research with multi-disciplinary flavour. We believe in sharing resources and carrying out joint research projects. Rabindranath Tagore University has signed MoU and works in close association with many research organizations like NITTTR, CRIPS, CIAE, BSNL, Microsoft, MPCST, MANIT, etc. within the country and also on joint research projects with organizations like RPI (USA) and Siegen University (Germany) etc. outside the country.

# Excellence in Research

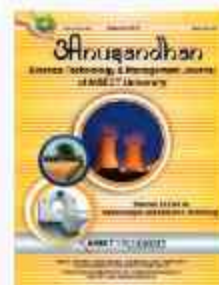

## Technical Journal and News Bulletin

Rabindranath Tagore University has student chapters, institute chapters, active membership and close association with many institutions, societies and organizations like IETE, ISTE, CSI, FICCI, CII, Ph.D., Chamber of Commerce etc. Events/Programmes organized in association with these organizations provide vibrant platform for better growth and exposure to our students.

Every student has a creative writer/author inside him/her. Rabindranath Tagore University takes this author out through various in-house print options or through paper presentation opportunities provided inside and outside the university. We nurture creativity and publish Science, Technology & Management journals bi-yearly under the title 'Anusandhan'.

For non-technical discipline, we publish research journal 'Shodhaytan'. University's newsletter 'RNTU Times' is a mirror of events happening at the university. There are proceedings and souvenir of various seminars, conferences, etc. Most of our publications are online.

# ENGINEERING AND TECHNOLOGY

## Faculty of Engineering and Technology

Rabindranath Tagore University is working towards creating skilled graduates and post graduates who will be highly trained and technologically advanced in this modern world of technology.

# Department of Mechanical Engineering

Mechanical Engineering is that discipline of engineering that applies the principles of physics and material science for analysis, design, producing and maintenance of mechanical systems. The Mechanical Engineering Programme is meant to prepare students for constant learning and flourishing careers in industry, government, academy and consulting fields. We train the students in a way that they can use best of their capabilities.

Programme	Degree offered	Duration	Eligibility Criteria
Mechanical Engineering	Eng. Diploma (ME)	3 Years	10th/SSC with 35% marks
	B.E. (ME)	4 Years	10+2 (P.C.M.) with 45% marks (SC/ST-40%)
	M.Tech. (Production)	2 Years	Bachelors degree with 50% marks (SC/ST-40%)
	M.Tech. (Thermal)	2 Years	Bachelors degree with 50% marks (SC/ST-40%)

# Faculty of Agriculture

Growth in agriculture boosts economic development of the country. Majority of our population directly or indirectly depends on agriculture. Agriculture education as a result, becomes the priority in higher education. The comfortable food grain situation that the country enjoys is the outcome of skilled human resource developed, technological capabilities formed for HRD and development of technology and their distribution to the highly accessible farming community. The need of the hour therefore, is to build up the human resources through an efficient agricultural education system with an emphasis on skill that will be mainly responsible for green, white, yellow and blue revolutions signifying increase in food grain, milk, oilseed and fish production respectively. The Faculty of Agriculture in Rabindranath Tagore University has introduced UG level course which promises good prospectus for not only an outstanding career but also to make sure of excellent job opportunities. The course in B.Sc. (Ag.) provides hands-on training in farming, food processing, horticulture, animal husbandry production and various other associated fields which will transform a student into a complete professional.

# Institute for Vocational Education & Skill Development

B.Voc. (Bachelor of Vocation) is an emerging course in India that aims at providing adequate skills required for a particular trade to candidates. B.Voc. was introduced by UGC to ensure that students have adequate skills and knowledge that could make them ready at each exit point of the programme. B.Voc. degree offers multiple exit and entry options to a Diploma, Advanced Diploma or Bachelor's Degree, under the NSQF (National Skills Qualifications Framework). It integrates NSQF within the undergraduate level of higher education in order to enhance employability of the graduates and meet industry requirements. The program helps an individual to focus on practical skills and an insight to the job requirements and thereby enhances employability for suitable jobs. It provides students the flexibility of continuing their work in the industry, along with completing the B.Voc. Degree program. The course is different from traditional academic programmes as it deals more with application-based studies rather than focusing only on theoretical knowledge.

# Art of Learning at Rabindranath Tagore University

## Teaching Methodology

- Facilitating skills and training by utilizing modern techniques such as online teaching, LCD projectors, education through ISRO satellites and e-learning to efficiently deliver quality education
- Providing industry-ready supervision by facilitating workshops with the industry experts to increase the knowledge of students pertaining to their field of interest
- Students are engaged in workshops, seminars, symposiums, and lectures to enhance their skills and industry related knowledge  
Conduction of compulsory self-analysis tests every month
- Twice credit system with effective continuous test evaluation, feedback and correction cycle with monitoring and recording mechanism
- Industries' live projects assigned as minor and major projects Value addition courses are added to the curriculum to cater to the students' overall growth

## An Interactive Learning Environment

Rabindranath Tagore University provides courses for students wherein they can prosper their dreams and enhance their skills while being in a serene and positive environment. These courses are based on the strength of such factors:

- Interactive teaching sessions to formulate better understanding between the teachers and students
- A transparent self-appraisal performance index system for students
- Facilitating a service for students wherein they can provide their feedback regarding teachers and curriculum
- A systematic academic calendar
- Video Audio Learning System (VALS)

Art and culture form a greater portion of our rich tradition. At Rabindranath Tagore University, we mean to carry this legacy forward and inspire the young generation to continue and experiment with it. More emphasis is laid on the participation of students in these activities because such activities play a vital role in maintaining communal harmony and developing mutual respect for the varied cultures that make our country so colourful.

**Music, dance events, theatre, debates, free-hand sketching, seminars and group discussions are the various activities that form a part of the wholesome college experience for a student.**

**Sir/Ma'am,**

This is with reference to above mentioned subject regarding extension of provisional approval of affiliation to Rabindranath Tagore University, (formerly AIRCT University), Distt. Raipur, Madhya Pradesh which has already applied for extension of approval of affiliation for the academic year 2025-2026.

You are hereby allowed to admit students in imparting three year LL.B degree course and five year BA LL.B (H) integrated degree course with intake of two section of 60 students in each course for a period of one year i.e. for the academic year 2025-2026.

The earlier period from 2023-2024 and 2024-2025 is also regularized since the University had deposited the approval fees.

The provisional approval of affiliation shall be conditional and is subject to every Centre of Legal Education/College being required to submit a certified authenticated bank statement bearing bank stamp, date and signature, mandatorily with respect to the salary/ies being disbursed to all the teachers/faculties with effect from April, 2024. The bank statements for the upcoming months must be continued to be submitted every three months without fail, and CLE is also required to furnish list of teachers with qualifications as per BCI and UGC Rules, and further furnish

proof/receipts of fulfillment of minimum library requirements, as enumerated under Schedule III, Rule 15. Minimum library requirements of Legal Education Rules which is the aim and span of a Centre of Legal Education. Certain show cause notices and compliance letters had also been issued specifically to certain Centres of Legal Education/Colleges, with conditions mentioned therein, which have to be complied too as per the time stipulations therein, and if they have not been complied with they must be complied with immediately.

Ensure to comply with the aforesaid compliances, otherwise the provisional approval of affiliation being issued herewith may be withdrawn.

Certain specific details are provided herein for your convenience and they are also specifically required to be complied with by every CLE in view of Rules of Legal Education, 2008 and circulars, guidelines, directives, public notification issued by the Bar Council of India from time to time for maintenance of standards of Legal Education.

#### Faculty

As per Rule 16 and Rule 17 of Schedule III of Legal Education Rules, 2008, the minimum requirement for three year LL.B degree course with 1 or 2 section/s is 4 faculty in first year, 6 in second year, 8 by the third year alongwith 1 Principal.

Furthermore, in addition there should be adequate English, Computer teachers in the ratio of 1:40 and there should be 1 qualifying librarian. If the strength goes beyond 2 sections, the entire ratio of all faculty members should be 1:40. Similarly, the minimum requirement for five year integrated degree course with 1 or 2 section/s is 8 in first year, 8 in second year, 10 from third year. Principal will be common.

For specialization or Honours courses, there has to be a minimum of 3 teachers for such specialized course 1 major and 2 minor apart from having English and Computer teachers. Kindly note that these faculty members have to be in the ratio of 2:40 for the years they are teaching such subjects during the entire duration of the course.

The faculty is required to be adequately qualified with minimum 2 year LL.M degree for teaching Law or have any other higher degree for teaching law subjects. The non-law teachers with respect to social sciences must have a minimum of MA in that particular social science subjects being taught. 1 major and 2 minor social science subjects have to be taught in the 5 years BA Integrated degree course. The principal is required to have minimum prescribed qualifications as laid prescribed by BCI, and should have minimum 15 years of experience. He/she has to be a Professor in law with PhD in law.

They are required to be paid as per salary as per latest UGC pay scale commensurate to their designation as Assistant Professor, Associate Professor and/or Professor.

**The ratio of faculty members to students should not be less than 1:40 after the minimum strength of core faculty as per Rule 17 is ensured.**

#### Library Enhancements

The CLE's library needs significant improvements. It should invest in acquiring more reference and textbooks of the latest editions. Allocate an annual budget of at least Rs. 10 lakhs for purchasing new reference books, textbooks, and journals. Furthermore, the CLE should establish an e-library by subscribing to reputable e-law journals and acquiring electronic databases of law journals, as specified in the Rules of Legal Education.

Equip the library with at least 20 computers. As per schedule III clause 9 (ii) Computer Education has to be made compulsory for all the students.
